Welcome to UE!

As over 250,000 graduates nationwide and worldwide would attest, the University of the East (UE) prepares you to be competitive in the global market. The education UE provides is designed to enable you to be an achiever—whether as an employee or an entrepreneur, in our country or as an overseas worker, in Manila or the provinces, in the Middle East or in the USA, anywhere in the world. UE graduates have continued to make life better, richer, fuller across the country and around the globe.

We at the Admissions Office can assist you—no matter if you are from the metropolis or from the provinces, Filipino or foreigner—to choose your own path as a future achiever when you enroll in UE. We can provide you with information on UE's College Entrance Test (CET), course offerings, scholarships and grants, and other related matters. We are committed to making UE accessible to all applicants who wish to enroll here and would want to avail of UE’s academic services. After all, your Tomorrow Begins in the East!
